

19th November 2019

Dear Parents,

Please find attached the latest Section 8 Inspection report.

The report takes the form of a letter and is to be read in conjunction with previous report from 10th March 2016. All outstanding elements from the report in 2016 are still outstanding

Since September 2019, OFSTED have been inspecting under a changed framework which focusses less on the outcomes and achievement of the school and more on the wider curriculum. I am sure that you are aware that in recent years we have been ranked as 199th in country in the Sunday Times Schools Guide and in the most recent report we are 13th in the country. This is a phenomenal and noteworthy achievement. It is important that you read this inspection with that understanding.

We are intensely proud of our school and know what a well-rounded and successful education that each child here receives. I would like to pay thanks to the excellent and dedicated staff, Governors and children. I would like to congratulate you as parents for the support and challenge that you offer to your children in helping them to attain "Better than Their Best"

Yours sincerely

Mr Groark
